Company Profile

Credentials

Building
Division

- 1979 Founded by Mr.Cherukuri Satyanarayana
- 1994 Established GMP facility at Keesara for APIs and Fine Chemicals.
- 2007 choose to go green by entering into mushroom production at Peddapuram, East Godavari and Medchal, Telangana.
- We are the largest quality producers in both the products.
- 2017 entered into the line of building products at Keesara, Andhra pradesh and Patancheru, Telangana.
- All units total land 161 Acres and built-up area ~ 100000m²

OUR MISSION

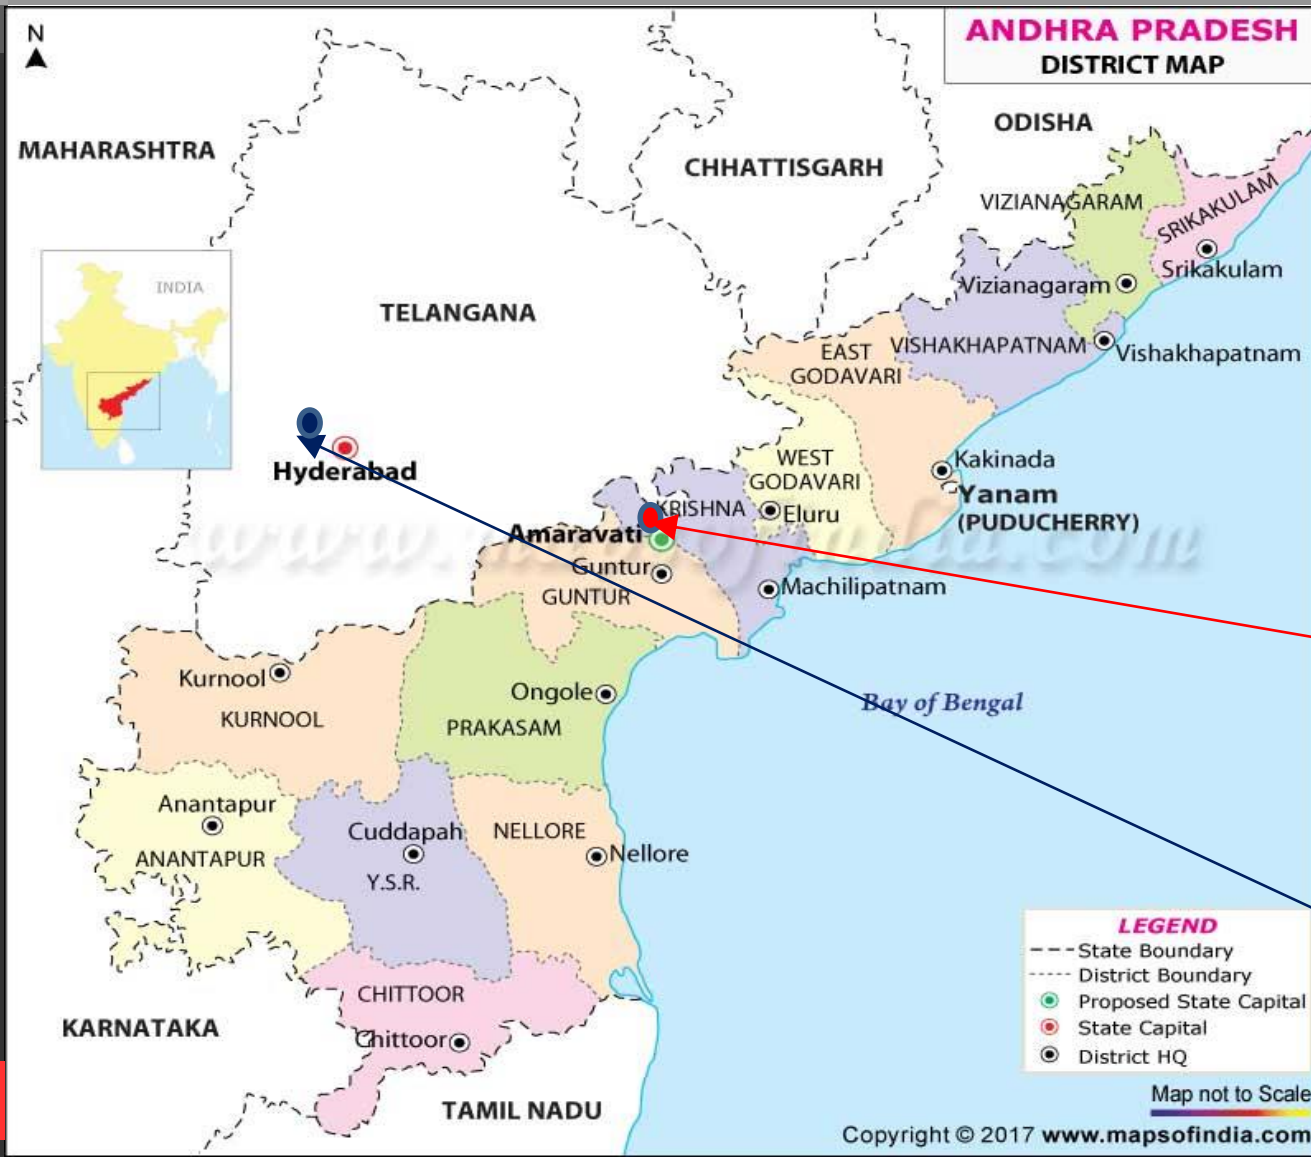

Supply of high-quality products providing related services and solutions to clients.

Utilizing innovative sustainable state of the art technologies within an environment of motivated employees.

Focused on continual improvement, highest business standards, work ethics and corporate citizenship

OUR VISION

To be the most innovative sustainable and reliable producer, manufacturer, service and solution provider in the chosen verticals.

Unit-I
Keesara
Andhrapradesh

Unit-II

Building
Division

Unit-I, Keesara, Andhra pradesh

- Built up area – 16500M².
- Total Land area 28 Acres.
- HCS 7500 ft²/day of different thickness 150 to 350mm.
- Solid Slab 7500 ft²/day of different thickness 75 to 200mm.
- Column Beams 400 rft/day.
- Precast walls about 20000 ft²/day of different thickness 100 to 200 mm thick.
- AAC blocks/Panels 2000 m³/day.
- Interlock Designer Pavers 57000 ft²/day.
- Staircase Size 300 X 150 upto 15 steps 1.5 mtr width four elements.
- Completely Dedicated Facility.
- Completely Integrated Facility.
- Completely Automated Facility.

Division

- Precast walls 7750ft²/day off different thickness 100 to 250 mm.
- Room size slab 7750 sq feet 75 to 250mm thick.
- Staircase Size 300 X 150 upto 15 steps 1.5 mtr width four elements.
- Column and beam as required.
- Other Elements like boundary walls, storm water drain, cable ducts and any special precast element can be made.

Salient Features - Building Product Division

Credentials

Building
Division

- . This state of the art automated plant system is equipped with the top of the line equipment.
- . For precast from ELEMATIC, FINLAND.
- . For Interlocking designer Pavers from REKERS, GERMANY.
- . For AAC Dutch Technology.
- . Our AAC and Paver plants are the single largest plants in India to produce panels, blocks and interlocking designer pavers.
- . Ancillary facilities for the uninterrupted operation of the plant are dedicated batching plants, Co-generation power plant for production of Steam and Power required for the processes.
- . Proposed 2.0 MW Roof top Solar Power Plant.
- . We have fully equipped computerized Testing lab facility for Quality Testing of various building products.
- . We are a professional manufacturing and supplier of building products focusing and committed to develop sustainable cost effective solutions and not just products.

Indigenization

Credentials

Building
Division

- Adaptation of new technologies from different verticals
(rooftop solar, co gen. plant)
- Site specific designs
- Vendor development
- Information Technologies
- Plant Automation
