

# PEPSCON 2014

(PRE-ENGINEERED AND PRE-CAST CONCRETE STRUCTURES  
CONFERENCE 2014)

Date: 4<sup>th</sup>, 5<sup>th</sup> April 2014  
Venue: Hotel Taj Deccan  
Banjara Hills, Hyderabad, India.

Organised By:

in Association  
With

ACCE(I)  
Hyderabad Center

Supporting Organizations:

**CREDAI**

Media Partner:

**THE Masterbuilder**  
Nobody Covers Civil Engineering Better

**THE HANS INDIA**

# INTRODUCTION

A National Level Conference called **PEPSCON 2014** (“Pre-Engineered and Pre Cast Concrete Structures”) is being held in Hyderabad, India on April 4th and 5th 2014 on behalf of Pre Engineered Structures Society of India, Hyderabad and ACCE(I) Hyderabad Center.

PEPSCON 2013 was held at Hyderabad, India during March 2013, and it was attended by about 300 no's of DELEGATES and the response was resounding.

The conference presented the information about Pre Engineered (Structural Steel for buildings) and Precast buildings (Precast Concrete) in the conference and gave a good insight about the precast technology both in concrete and steel to the Builders and Developers in India.

During the above conference, the **Precast Concrete Engineers Society** was also inaugurated and the membership drive is ongoing. Sensing that there are other Pre-Engineered concepts have come into the market already, and day by day new technologies of construction are coming up for the booming construction sector of India, the name of Precast concrete Engineers society is changed to Pre Engineered Structures Society of India and the change in name is effective since February 2014. The web site address is [www.pessi.in](http://www.pessi.in)

## INFORMATION PRESENTATION IN CONFERENCE

The conference will present information about the following, viz.,

1. Various Pre Engineered type of constructions adopted in India for Residential, Office, Commercial and Educational Institutions, viz., Prefab Structural Steel (using rolled steel and fabricated sections) Light Gauge steel or otherwise called as cold formed sections for use in construction of 4 to 6 six storied buildings Prestressed and Precast concrete Pre Engineered sandwich panels with shotcreting application on either side Glue laminated Timber structures.
2. Specific application of Precast Concrete construction in Housing and commercial structure Showcasing examples of constructed Precast concrete Buildings.
3. Pre fabricated Structural Steel into Building sector of residential and commercial type - Show casing the constructed Buildings.
4. Cost aspects of setting up of Precast concrete Industry and its running costs.
5. Availability and training of skilled labour required for precast industry.

# INFORMATION PRESENTATION IN CONFERENCE...

6. Specifications for Precast Concrete Industry
7. Handling, Transportation and Erection of precast elements- costs aspect, etc.,
8. Durability of various Pre Engineered structures
9. Innovative Building elements for the future construction, such as Glass Fiber Reinforced Gypsum (GFRG), Glass Fiber Reinforced Concrete (GFRC), Glue laminated timber, etc.,

## WHO SHOULD PARTICIPATE

1. Builders and Developers
2. Construction Companies
3. Architects / Structural Engineers / MEP Engineers
4. Engineers from Govt / Semi Govt bodies
5. Public Undertakings / MES
6. Construction Engineers
7. Entrepreneurs who want to set up the precast companies
8. Practicing consultants

## OBJECTIVES OF THE EVENT

**The Delegates for this conference will be from various organizations, viz.,**

Members of Organisations like SEWC, ACCE(I), CREDAI, BAI, IAStruct(E), IIA, ICI, etc., and from Academic institutes like IIIT, SERC, JNTU, IIT, Vasavi Engg. College, Sphoorthy Engineering college, CBIT, Osmania University and Government Organisations like GHMC, HMDA, R&B, P.R Department, MES, Public undertakings, and private companies like ITC, L&T, etc., are going to assemble and brainstorm and bring about process and systems for acceptance by end user for better quality, Quick and cost effective Solutions.

The Conference will lead to formation of working committee to bring out manuals, handouts on the application of Emerging Technologies. The proceeds of the conference will be utilized for future developing new regulations to achieve the objective of the conference of Better Quality, Quick and cost effective Solutions for built Environment in India.

The total expected Delegates will be about 400 Nos. out of which 300 will be the invited guests and 100 Nos. will be paid guests.

# SPONSORSHIP & ENTITLEMENTS

## SPONSORSHIP

## ENTITLEMENTS

### PLATINUM SPONSOR

**RS.6,00,000/-**

1 Hour Slot

+

Exhibition Promo (1 each day)

- 8 delegates free
- Company's name will appear on all promotional materials
- Logo will appear on both sides of the stage & on the main stage back drop
- 10 minutes of company product presentation and 35 min's on the given topic

### GOLDEN SPONSOR

**RS.3,00,000/-**

45 Mins. Slot

+

Exhibition Promo (3 sponsors each day)

- 5 delegates free
- Logo will appear on both sides of the stage & on the main stage back drop
- 10 minutes of company product presentation and 30 min's on the given topic

### SILVER SPONSOR

**RS.2,00,000/-**

Exhibition Promo (5 sponsors each day)

- 3 delegates free
- Logo will appear on the main stage back drop
- 10 minutes of company product presentation

The Sponsors are requested to give their confirmation for Sponsoring by **31st March 2014**.

Payment in the form of Cheque / D.D to be drawn in favour of **PRECAST CONCRETE ENGINEERS SOCIETY, Hyderabad**.

RTGS: **A/C No. 60128541813, Bank of Maharashtra, Khairatabad Branch IFSC Code: MAHB0000918**

## REGISTRATION

Delegate fee **Rs 5000/-** and for members **Rs 3000/-\***.

\* SEWC, ACCE(I), CREDAI, IAStruct(E), IIA, ICI

## PROGRAM SCHEDULE

**4<sup>th</sup> April 2014** (Pre-Engineered Building) and **5<sup>th</sup> April 2014** (PRECAST Concrete Construction)

09:00 am - 09:30 am Inauguration

09:30 am - 10:15 am presentation

10:15 am - 11:15 am presentation

11:15 am - 11:30 am Tea Break

11:30 am - 12:15 pm presentation

12:15 pm - 01:00 pm presentation

01:00 pm - 02:00 pm Lunch

02:00 pm - 02:15 pm presentation

02:15 pm - 02:30 pm presentation

02:30 pm - 02:45 pm presentation

02:45 pm - 03:00 pm presentation

03:00 pm - 03:30 pm presentation

03:30 pm - 03:45 pm Tea

03:45 pm - 04:15 pm Interactive session

04:15 pm - 05:15 pm Drafting of Proceedings

# COMITTEE MEMBERS

|                    |   |                       |                                    |
|--------------------|---|-----------------------|------------------------------------|
| R. Sundaram        | SEWC, Bangalore (Worldwide & India President) | P Surya Prakash       | PEPSCON 2014 (Chairman)            |
| Subash Mehrotra    | IAStructE (President)                         | C A Prasad            | PEPSCON 2014 (Secretary)           |
| Mahender Raj       | CEAI, New Delhi                               | C Sekhar Reddy        | CREDAI (National President)        |
| Prof Mahesh Tandon | New Delhi                                     | M R Kalgal            | ACCE(I), Bangalore                 |
| Dr Nori            | SPA, Mumbai                                   | N Jaiveer Reddy       | CREDAI, Hyderabad                  |
| G Yoganand         | CREDAI, Hyderabad                             | C Rambabu             | CMAC, Hyderabad                    |
| G Ram Reddy        | CREDAI, Hyderabad                             | K Rajkumar            | ACCE(I), Hyderabad                 |
| S Mahender Reddy   | IAStructE, AP.                                | M S Ramaswami         | SEWC, India (Vice-President)       |
| KP Pradeep         | SEWC, Chennai (Secretary General)             | Vidya Shankar Hoskere | SEWC, India (Secretary)            |
|                    |   | B Dharmateja          | PSSI (Treasurer)                   |
|                    |   | B C Rao               | PSSI                               |
|                    |   | VVL Narasimham        | IIA (Chairman, A.P State Chapter)  |
|                    |   | Suresh Bellala        | IIA (Hon. Secy, A.P State Chapter) |

## BACKGROUND

Precast concrete structures and Pre engineered fabricated structures of various types of construction is fast adopting itself into the construction sector, as the skilled labour availability has become less in India, and the construction demand is on the rise in Hyderabad and across the country. Builders and developers are looking at ways of adopting precast into the construction and achieve speeds and quality to meet the demands of construction, good quality and to overcome the less labour supply in the market

It is time for the Precast companies across the globe to come and display information about their companies and how they can assist in supplying and commissioning of precast equipment and continue to give the after sales Technical knowhow, etc., to the Entrepreneurs of India.

The city of Hyderabad, already has the precast equipment like Battery mould from \*Ellematic\* ( used by \*Janapriya Developers\*), Hollow core Units from \*Italy\* (\*Nordimpianti\*) and \*Prensoland of Spain\* (\*Preca\*, \*Hyderabad\*), and there are various other entrepreneurs who are looking to set up the Precast companies, produce and supply precast elements as demand exists in Hyderabad and other parts of India.

There are also precast companies set up at various locations in India, viz., at \*Coimbatore\* (\*Echo and Weckenmann for Teemage Precast\*), \*Calicut\* (Weckenmann), Chennai (Ellematic), Pune (Vollert, Germany), Mumbai (Bianchi, Italy), Bangalore (firm from Newzealand) and Noida (webau)\*, and demand is raising across the cities of India.

We are looking forward for the various Precast Companies across the Globe to come and participate in this national Seminar and also display the information about their companies and attract the Indian Builders and Developers and further their Business opportunities, as well as help the Indian clients in giving the Technical Know how Contact

**Chairman :** P. SuryaPrakash (president@pessi.in) - 9393348484

**Organising Secretary :** C.A. Prasad (secretary@pessi.in) - 9700159325 **Joint Organising Secretary :** K. Raj Kumar (jointsecretary@pessi.in) - 9949444442 **Coordinators:** C. Rambabu (crambabu@pessi.in) - 9348211464, D. Ramakrishna 9392391881

# REGISTRATION FORM

## PEPSCON 2014

April 4<sup>th</sup> – 5<sup>th</sup>, 2014

Hotel Taj Deccan, Banjara Hills, Hyderabad - 500034.

Organised by

PRE ENGINEERED  
STRUCTURES SOCIETY OF INDIA

---

### Delegate Fee

---

Delegates (PROFESSIONALS/PRACTISING ENGINEERS, etc.) : Rs. 5,000/-

Members\* (SEWC, IIA, ACCE, IAStructE, ICI, CREDAI) : Rs. 3,000/-

\* Invited guests who could not confirm before 31<sup>st</sup> March, 2014

### REGISTRATION

Please register the following persons

| Name    | Designation |
|---------|-------------|
| 1 _____ | _____       |
| 2 _____ | _____       |

Cheque / DD No: \_\_\_\_\_ DT \_\_\_\_\_ for Rs \_\_\_\_\_

(Rupees \_\_\_\_\_) is enclosed towards Delegate Fee

Name of the  
Organisation: \_\_\_\_\_ Address: \_\_\_\_\_

Phone: \_\_\_\_\_

Fax: \_\_\_\_\_ Mobile: \_\_\_\_\_ Email: \_\_\_\_\_

Cheque/DD should be in favour of "PRECAST CONCRETE ENGINEERS SOCIETY, HYDERABAD"

Name, Designation and Signature of the Authorised Person:
